In 2008, Chris Lynch’s life was transformed in four dramatic days when he was hospitalized with diabetic ketoacidosis, hyperkalemia, and atrial fibrillation. Diagnosed with a blood sugar level of 1,469 milligrams per deciliter (mg/dl), Chris faced near-death and a lifetime of insulin dependence. Realizing his survival was a miracle made possible by God, Chris began a new journey into health and renewed faith, successfully reducing his insulin dependence from 120 units per day to zero. Always a positive spirit dedicated to helping others, Chris determined to share his story with other people, along with a simple, powerful message: Believe, Receive, and Reciprocate. A dynamic and engaging speaker, Chris humor, down-to-earth approach, and unforgettable story come together in this book. Chris plans to inspire people experiencing trauma and pain to turn around their approach to life: from fear to engagement; from denial to acceptance; from self-aggrandizement to enabling hope, love, and peace to others, within their reach.
