Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. Confident that I was a boy, the family had all hoped that I would be considerate enough to postpone my coming at least until my father's return, but with perverse discourtesy and want of filial regard, I would not wait. Of course, there was no one ready to receive me. I have borne the blame for this untimely debut, but it was really the fault of the barn which, in the early part of the evening, had caught...
